

Module 01: Central Sterilization Section

Quantity	Description	Manufacturer	Remarks
2	Instrument Washing Machine	e.g. HAMO	the newest used version we can get
1	Steam Sterilizer large	e.g. Lautenschläger	the newest used version we can get
1	Quick Steam Sterilizer	e.g. HAMO	the newest used version we can get
1	Steam Generating Unit	e.g. MMM	the newest used version we can get
1	Water Treatment Unit	e.g. MMM	the newest used version we can get
1	Gas Sterilizing Unit	e.g. Maquet	the newest used version we can get
1	Foil Welding Machine	e.g. HAVO	the newest used version we can get
1	Ultrasound Cleaning Bath	e.g. WEBECO	the newest used version we can get
20	Sterilization Container	e.g. Aesculap	the newest used version we can get
5	Stainless Steel Cupboard	e.g. Aesculap	the newest used version we can get
5	Stainless Steel Sideboard	e.g. Aesculap	the newest used version we can get
4	Stainless Steel Table	e.g. Aesculap	the newest used version we can get
1	Oil free Compressor	e.g. BOGE	the newest used version we can get

Module 02: Surgery Ward

Quantity	Description	Manufacturer	Remarks
10	Operating Table, hydraulically adjustable	e.g. Maquet	the newest used version we can get
10	OP Cover Light Operating Lamp	e.g. Hanaulux	the newest used version we can get
10	OP Cover Satellite Lamp	e.g. Hanaulux	the newest used version we can get
10	OP Floor Standing Light	e.g. Hanaulux	the newest used version we can get
10	OP Anesthesia System	e.g. Draeger	the newest used version we can get
10	Patient Supervision Monitor	e.g. Nikon Kohden	the newest used version we can get
10	Defibrillator	e.g. Hellige	the newest used version we can get
10	High Frequency Electro Surgery Device	e.g. Erbe/Martin	the newest used version we can get
10	OP Universal Pump	e.g. Atmos	the newest used version we can get
1	Mobile C-Arm	e.g. Siemens, Philips	the newest used version we can get
1	Patient Transfer Table	e.g. Maquet	the newest used version we can get
10	Instrument Tray	e.g. Maquet	the newest used version we can get
20	Stainless Steel Carriage		the newest used version we can get
20	Perfusor	e.g. B.Braun	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gammersbach/ Germany - Mobile 0049 (0)1717029340

Module 03: Anesthesia Recovery Room

Quantity	Description	Manufacturer	Remarks
5	Patient bed	e.g. Stieglmeyer	the newest used version we can get
5	Patient Supervision Monitor	e.g. Nikon Kohden	the newest used version we can get
1	Electrocardiographic Unit (ECG)	e.g. Hellige	the newest used version we can get

Module 04: Emergency Surgery Ward

Quantity	Description	Manufacturer	Remarks
1	Operating Table, hydraulically adjustable	e.g. Maquet	the newest used version we can get
1	Examination Bed	e.g. Schmitz	the newest used version we can get
1	OP Cover Light	e.g. Hanaulux	the newest used version we can get
1	Electrocardiographic Unit (ECG)	e.g. Hellige	the newest used version we can get
1	High Frequency Electro Surgery Device	e.g. Erbe, Martin	the newest used version we can get
1	Sonographic System	Siemens, Philips	the newest used version we can get
1	Mobile C-Arm	e.g. Siemens, Philips	the newest used version we can get
1	Stainless Steel Emergency Bandage Carrier	e.g. Haeberle	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gummersbach/ Germany - Mobile 0049 (0)1717029340

Email: info@mp-hcc.com - web: www.mp-hcc.com

Module 05: Intensive Care Unit

Quantity	Description	Manufacturer	Remarks
5	Intensive Care Beds (Antidecubitus)	e.g. Stieglmeyer	the newest used version we can get
	Wall Supply Element	e.g. Siemens	the newest used version we can get
10	Patient Control Monitor	e.g. Nikon Kohden	the newest used version we can get
1	Electrocardiographic Unit (ECG)	e.g. Hellige	the newest used version we can get
1	Defibrillator	e.g. Hellige	the newest used version we can get
10	Infusion Stand		the newest used version we can get
10	Automatic Infusion Device	e.g. B.Braun	the newest used version we can get
5	Pulmotor (Servo Ventilation)	e.g. Draeger	the newest used version we can get
5	High Pressure Injector	e.g. Draeger	the newest used version we can get
10	Double Infusion Pump	e.g. Puritan – Bennet/B.Braun	the newest used version we can get
10	Recrement Pump	e.g. Aesculap	the newest used version we can get
1	Complete Patient Surveillance System for all Intensive Care Beds with Central Control Unit	e.g. GE / Philips	the newest used version we can get

Module 06: X-Ray Department

Quantity	Description	Manufacturer	Remarks
1	Computer Tomography System (CT Scanner) 16 or 64	e.g. Siemens, Philips or GE	the newest used version we can get
1	X-Ray / Fluoroscopy System	e.g. Siemens, Philips	the newest used version we can get
1	Mammography Unit	e.g. Siemens, Philips	the newest used version we can get
1	Mobile X-Ray System (for bedside x-rays)	e.g. Siemens, Philips	the newest used version we can get
2	Sonographic Systems	e.g. Siemens, Philips	the newest used version we can get
4	Electrographic Viewer	e.g. Planilux	the newest used version we can get
2	Developing Unit	e.g. AGFA	the newest used version we can get
2	Radiograph viewers		the newest used version we can get
1	Magnetic resonance tomograph (MRI)	e.g. Siemens, Philips or GE	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gummersbach/ Germany - Mobile 0049 (0)1717029340

Email: info@mp-hcc.com - web: www.mp-hcc.com

Module 07: Gynecology Ward

Quantity	Description	Manufacturer	Remarks
3	Gynecological Examination Chair, electrically adjustable, with Colposcopy	e.g. Schmitz	the newest used version we can get
1	Sonographic System with Probe Endovaginal	e.g. General Electric	the newest used version we can get
3	Blood Pressure Gauge	e.g. Boso	the newest used version we can get
3	Stethoscopes	e.g. Littmann	the newest used version we can get
1	Electrocardiography System (ECG)	e.g. Hellige	the newest used version we can get
1	Person Weighing Machine	e.g. Seca	the newest used version we can get

Module 08: Delivery Ward

Quantity	Description	Manufacturer	Remarks
4	Delivery Bed	e.g. Maquet	the newest used version we can get
	Wall Supply Element		the newest used version we can get
1	OP Cover Light	e.g. Hanaulux	the newest used version we can get
1	Vacuum Extraction Unit	e.g. Medela	the newest used version we can get
1	Warm / Heating Bed	e.g. Draeger / Maquet	the newest used version we can get
1	Recrement Pump	e.g. Atmos / Medela	the newest used version we can get
1	Pulmotor (Servo Ventilation) for Nursing Purposes (Infant)	e.g. Draeger / Lifeway	the newest used version we can get
1	Infant Weighing Unit	e.g. Seca	the newest used version we can get
2	Pulsoxymeter / Fetal Monitor	e.g. Nellcor / Bennet	the newest used version we can get
1	Anesthesia Device	Draeger	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gummersbach/ Germany - Mobile 0049 (0)1717029340

Module 09: Neonatal- and Infant Ward

Quantity	Description	Manufacturer	Remarks
20	Infant Bed	e.g. Stieglmeyer	the newest used version we can get
2	Warm / Heating Bed	e.g. Draeger	the newest used version we can get
5	Electric Breast Milk Pumper		the newest used version we can get
1	Mobile Incubator	e.g. Draeger	the newest used version we can get
2	Stationary Incubator	e.g. Draeger	the newest used version we can get
1	Reanimation System	e.g. Draeger	the newest used version we can get
1	Automatic Supervisory System	e.g. Siemens	the newest used version we can get
2	Pulmotor (Servo Ventilation) for Nursing Purposes (Infant)	e.g. Draeger / Lifeway	the newest used version we can get
3	Recrement Pump	e.g. Atmos / Medela	the newest used version we can get
1	Heating Lamp	e.g. Hereaus	the newest used version we can get
2	Infant Weighing Unit	e.g. Seca	the newest used version we can get
5	Infant Bathtub	e.g. Draeger	the newest used version we can get
1	Care Combination (Furniture)		the newest used version we can get

Module 10: Diagnostic Ward

Quantity	Description	Manufacturer	Remarks
1	Cardiac Workplace / Treadmill	e.g. Schiller / Ergoline	the newest used version we can get
2	Examination Bed	e.g. Schmitz	the newest used version we can get
1	Patient Weighing Unit	e.g. Seca	the newest used version we can get
1	Sonography System with Sound Heads and Gulp Probe	e.g. Siemens / Philips	the newest used version we can get
1	Electrocardiography System (ECG)	e.g. Hellige	the newest used version we can get
5	Blood Pressure Gauge	e.g. Boso	the newest used version we can get
5	Stethoscopes	e.g. Littmann	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gummersbach/ Germany - Mobile 0049 (0)1717029340

Email: info@mp-hcc.com - web: www.mp-hcc.com

Module 11: Endoscopy Section

Quantity	Description	Manufacturer	Remarks
1	Endoscopy mobile equipment cart	e.g. Olympus WM NP2	the newest used version we can get
1	Video Endoscopy Workplace	e.g. Storz, Olympus	the newest used version we can get
1	Endoscope	e.g. Storz, Olympus	the newest used version we can get
1	Duodenoscopy	e.g. Storz, Olympus	the newest used version we can get
1	Gastroscopy	e.g. Storz, Olympus	the newest used version we can get
1	Colonoscopy	e.g. Storz, Olympus	the newest used version we can get
1	Coloscope	e.g. Storz, Olympus	the newest used version we can get
1	Cardioscope	e.g. Storz, Olympus	the newest used version we can get
1	Laparoscope	e.g. Storz, Olympus	the newest used version we can get
1	Endoscope Storage Cabinet	e.g. Storz, Olympus	the newest used version we can get
1	Removal Pump	e.g. Atmos	the newest used version we can get
1	Endoscope Disinfection Bath		the newest used version we can get

Module 12: Nursing Ward

Quantity	Description	Manufacturer	Remarks
2	Mobile Bathtub	e.g. Trautwein	the newest used version we can get
1	Bathtub Lifting Unit	e.g. Trautwein	the newest used version we can get
2	Function Module		the newest used version we can get
5	Clothes Carriage		the newest used version we can get
5	Cleaning Carriage		the newest used version we can get
5	Patient Transport Chair	e.g. Meyra	the newest used version we can get
3	Patient Weighing Unit	e-g- Haeberle	the newest used version we can get

Address:

Am Brunsberg 14 – 51647 Gummersbach/ Germany - Mobile 0049 (0)1717029340

Email: info@mp-hcc.com - web: www.mp-hcc.com

Module 13: Station Furnishing

Quantity	Description	Manufacturer	Remarks
e.g. 150	Hospital Bed	e.g. Stiegemeyer	the newest used version we can get
e.g. 150	Mattress	NEW	the newest used version we can get
e.g. 150	Nightstand	e.g. Stiegemeyer	the newest used version we can get
e.g. 40	Patient Lifting Unit	e.g. AKS	the newest used version we can get
20	Toilet Chair	e.g. Casa	the newest used version we can get

Module 14: Central Laboratory

Quantity	Description	Manufacturer	Remarks
10	Laboratory Table	e.g. Hettich	the newest used version we can get
1	EPOS 5060 (Blood Examination)	e.g. Siemens	the newest used version we can get
1	ESAT (Diabetes Examination)		the newest used version we can get
1	AVL 990 (Blood Gas)		the newest used version we can get
1	AVL 892 (Blood Gas)		the newest used version we can get
1	Mölab (Haemoautom.)		the newest used version we can get
1	BAKER 900 (Blood Examination)	e.g. Eppendorf	the newest used version we can get
1	Photometer	e.g. Eppendorf	the newest used version we can get
2	Laboratory Centrifuge	e.g. Selektro / Hettich	the newest used version we can get
2	Laboratory Microscope	e.g. Zeiss	the newest used version we can get
